## Information about the Norristown Hospitality Center

[www.hospitalitycenter.org](http://www.hospitalitycenter.org)

The Hospitality Center was created from true and simple love for people. It is a home during the day for anyone who otherwise would be left hungry, weary or living on the streets.

Drawing on the inspiration of being brother to brother and sister to sister of the same loving Father, the Hospitality Center was born of need and faith in our community. The Center exists because there are people living on the streets or close to it, and our Christian faith calls us to give food to the hungry, drink to the thirsty, greetings to the stranger, clothing to the naked and comfort to the ill. Mathew 25:35-36
