

**Which recently passed laws will effect your business? Looking for ways to cut your energy costs? Is your business PCI Compliant? How is your presence on social media and how can you improve it?**

Join us for a day of learning on a variety of hot topics that you are facing everyday! Ken Andrews from MD Tech and Truno will give a presentation on how to keep your business PCI Compliant. Georgia Power's Tommy Thurmond will show you ways to save on your monthly energy bill. There will be discussions on social media campaigns and the newest partnerships with independent retailers. You will also get the latest information on WIC and a 2015 Legislative Recap.

**Date:** Thursday, May 7, 2015
