## TWENTY-THIRD SUNDAY IN ORDINARY TIME

Dear Parishioners and Friends,

Two weeks ago in this space I shared with you further thoughts from the book by Matthew Kelly entitled: “The Four Signs of a Dynamic Catholic.” Those four signs are: Evangelization, Prayer, Study and Generosity. I have written about Evangelization and Prayer. Today I wish to address Study.

Kelly writes about the genius of Catholicism and I am sure this expression affects different people in different ways. Kelly maintains that “Dynamic Catholics” spend about 15 minutes each day studying some aspect of Jesus and his Church. There are so many resources out there.

Jesus doesn't want just followers. He wants disciples. To be a Christian disciple begins by sitting at the feet of Christ to learn. I know at our elementary school, the students are encouraged to consider themselves as life-long learners. We “sit at the feet” of a variety of persons, TV talk show hosts, political commentators and schools of thought. How often do we sit at the feet of Jesus, who teaches through the Scriptures, Christian tradition and the Church? If we don't study our faith and its religious expression, we are living with a very juvenile level of knowing. What do we have to pass on to the next generation?

There are those who disagree with a Church teaching and the life-long learner will approach the issues by saying: “Why does the Church teach what she teaches. It is unlikely that I know better than 2000 years of the best Catholic theologians and philosophers. What am I missing?” Study is a commitment to discover the truth.

There are others who categorically reject what the Church teaches because of certain issues that are countercultural and “out of step with modern society”. It is not surprising that these conclusions are often reached with little more than a surface understanding of what the Church teaches and why.

Kelly's reflection on this sign of a Dynamic Catholic is: “This sign is all about continuous learning, the daily discipline of exploring the way of Jesus and the genius of Catholicism.” (Pg. 21)

Already announced in the parish bulletin are various programs of on-going adult faith education. Parish leadership will be offering a variety of programs and a variety of formats to attempt to entice you to attend one program or another. The goal of our adult faith formation and Ignatian programs is to assist you in your study of Jesus and your faith and to grow into being a Dynamic Catholic.

God bless all,  
Fr. Dan Sullivan, S.J.

Queridos Feligreses y Amigos,

Hace dos semanas en este espacio compartí con ustedes ampliamente pensamientos del libro de Matthew Kelly titulado: Los Cuatro Signos de un Católico Dinámico.” Estos cuatro signos son: La Evangelización, la Oración, el Estudio y la Generosidad. He escrito sobre la Evangelización y la Oración. Hoy deseo abordar el Estudio.

Kelly escribe sobre el genio del catolicismo y estoy seguro que esta expresión afecta a diferentes personas de diferentes maneras. Kelly sostiene que “los Católicos Dinámicos” pasan unos 15 minutos cada día estudiando algún aspecto de Jesús y su Iglesia. Existen muchos recursos.

Jesús no sólo quiere seguidores. Él quiere discípulos. Ser discípulo cristiano comienza por sentarse a los pies de Cristo para aprender. Sé que en la escuela primaria, se anima a los estudiantes que se consideren a sí mismo como aprendices de por vida. Nosotros “nos sentamos a los pies” de una variedad de personas, presentadores de programas de televisión, comentaristas políticos y escuelas de pensamientos. ¿Cuántas veces nos sentamos a los pies de Jesús, que enseña a través de las Escrituras, tradición cristiana y la Iglesia? Si no estudiamos nuestra fe y su expresión religiosa, estamos viviendo con un nivel muy juvenil de conocimiento. ¿Qué tenemos que pasar a la siguiente generación?

Hay quienes no están de acuerdo con una enseñanza de la Iglesia y el ser aprendices de por vida abordará las cuestiones diciendo: “¿Por qué la Iglesia enseña lo que enseña? Es poco probable que yo sepa más de lo que 2000 años de los mejores teólogos y filósofos católicos saben. ¿Qué me hace falta? El estudio es un compromiso para descubrir la verdad.

Hay otros que rechazan categóricamente lo que la Iglesia enseña debido a ciertas cuestiones que son contraculturales y “fuera de sintonía con la sociedad moderna”. No es de extrañar que estas conclusiones son a menudo alcanzadas con un poco más que un conocimiento superficial de lo que la Iglesia enseña y por qué.

La reflexión de Kelly sobre este signo de un Católico Dinámico es: Este signo es todo acerca del aprendizaje continuo, la disciplina diaria de explorar el camino de Jesús y el genio del catolicismo.” (Pg. 21)

Ya se ha anunciado en el boletín parroquial los varios programas de educación de fe continua para adultos que se están llevando a cabo. El liderazgo de la parroquia estará ofreciendo una variedad de programas y formatos tratando de atraerlo para que asista a un programa u otro. El objetivo de nuestros programas de formación de fe para adultos e Ignacianos es para ayudarle en su estudio de Jesús y su fe y su desarrollo para ser un católico dinámico.

Dios los bendiga a todos  
Fr. Dan Sullivan, S.J.

## UPCOMING EVENTS

### INACTIVE CATHOLICS WELCOME HOME

Please help us bring inactive Catholics back to the sacraments. Pope Francis asks us all to be evangelizers; encouraging inactive Catholics to return home supports his plea.

Six special sessions for inactive Catholics have been scheduled so they can bring their doubts, questions, concerns, or anger at the way they may have been treated. The first week's topic will be, "Why be Catholic? What's so special about the Catholic Church?" If you know an inactive Catholic—a family member, friend, or a coworker—please bring them to any of these sessions.

We have found that some inactive Catholics have a grievance that keeps them away from the sacraments. Some oppose certain Church doctrines or have been put off by various scandals. But the majority of inactive Catholics have simply drifted away for no particular reason.

We want them back! So please bring anyone you know to these meetings. They are meant to let inactive Catholics know what they are missing—and that they are missed!

### UPCOMING EVENTS

#### UNDERSTANDING CATHOLICISM

As our sessions resume, we will explore the early development of the Church, many of its problems, and how those conditions mimic issues facing the Church today.

During the 300 years following the resurrection of Jesus—a time of on-again, off-again persecutions of Christians—there were various views of who Jesus was and what he taught. In many ways those same conditions exist today. We will discuss those similarities and how various religions interpret the major teachings of Jesus.

Sessions are open to anyone who wants to know more about their Catholic religion, or to others who want to know more about what Catholics believe and why.

#### PRAISED BE TO YOU

Encyclical Letter on the Care of Our Common Home

Pope Francis recently released his much anticipated encyclical in hopes that we will engage in a dialogue about our common home. He appeals to each of us "to bring the whole human family together to seek a sustainable and integral development."

Join Ron Meyer for three evenings as he highlights the key points of this 80 page document and provides a starting point for us to engage in meaningful discussion about 'common home' and how we can work to protect it. Over the course of the three weeks, Ron will cover:

- Pope Francis' efforts to continue vision of Vatican II and the work of Pope Paul VI and Pope John Paul XXIII through his encyclical;
- The Gospel of Creation and key points of Chapters 1, 2, & 3 of the encyclical;
- Integral and Social Ecology and Lines of Approach

San Francisco utiliza la Catequesis del Buen Pastor para formación religiosa para niños 3 años de edad a través de quinto grado.

La Catequesis del Buen Pastor es la formación de fe que promueve una larga relación personal y la vida con nuestro Señor. ***What Is  
Contemplative Prayer?***

The Trappist monk Thomas Keating called it *Centering Prayer*.

The Benedictine monk John Main called it *Christian Meditation*.

The Jesuit Ignatius of Loyola called it *Lectio Divina*.

Psalm 46 urges us: "Be still and know that I am God." In our busy and complex lives, this form of prayer gives us space and time to find our "inner room." (Mt 6:6) Through it we can find stillness underneath the mental noise, the stillness that lets us connect with the Holy Spirit.

**Please Join TEAM 100  
We Have Just \$4.7 Million Remaining to  
“Realize the Master’s Plan”**

Dear Parishioners and Friends,

The new Parish Center is well underway, construction will finish by the end of the year. We still have to raise \$4.7 million to complete our capital campaign requirements. There has never been a better time to contribute.

**YOU** can help us match our generous Anderson Family Foundation’s \$5 million grant to complete the final phase of our capital campaign. For every dollar you contribute, it will be matched... dollar for dollar! As you consider my request, I ask that:

If you have made a donation to the School Building Fund, please consider making a new pledge to our *Realizing the Master’s Plan* Campaign;

If you have not made a donation to the capital campaign, I hope you will consider making a pledge at this time.

The time is *NOW* to come together and join TEAM 100 to *Realize the Master’s Plan* at St. Francis Xavier Parish and School and complete this FINAL phase of the capital campaign, which will benefit all parishioners.

If you would like to discuss a special way to honor your family or a loved one, we have a number of unique naming options available to you that are available for as little as \$8,000. Please do not hesitate to contact us for more information at (602) 212-4514 or [chris.felton@sfxsj.org](mailto:chris.felton@sfxsj.org) to discuss these exciting opportunities.

I look forward to hearing from you, and thank you for your generosity and support.

Gratefully,

Fr. Dan Sullivan, S.J. Pastor

**Por favor, únase al EQUIPO 100  
Solo nos restan \$4.7 Millones para  
“Realizar el Plan de Dios”**

Queridos Feligreses y Amigos,

El nuevo Centro Parroquial está en marcha. La construcción se terminará a finales de año. Todavía tenemos que recaudar \$4.7 millones para completar nuestros requisitos de la campaña de capital. Nunca ha habido un mejor momento para contribuir.

**USTED** puede ayudarnos a igualar el generoso subsidio de la Fundación de la Familia Anderson para completar la fase final de nuestra campaña de capital. Cada dólar que usted contribuya, será igualado... ¡dólar por dólar! Al considerar mi petición, le pido que:

Si usted ya hizo un donativo al Fondo de Construcción de la Escuela, por favor considere hacer una nueva promesa a nuestra Campaña de Realizar el Plan de Dios.

Si usted no ha hecho un donativo a la campaña de capital, le pido que ahora considere hacer una promesa de participación en esta campaña.

AHORITA es el momento de unirnos y formar parte del EQUIPO 100 para Realizar el Plan de Dios en la parroquia y la escuela de San Francisco Xavier y completar esta fase FINAL de la campaña de capital, la cual beneficiará a todos los feligreses.

Si usted desea platicar sobre una manera especial de honrar a su familia o a un ser querido, tenemos una serie de opciones especiales que tomarían el nombre que usted escoja conmemorar. Algunas de estas opciones tienen un precio módico de \$8,000. Para recibir más informes sobre estas emocionantes oportunidades, puede comunicarse al teléfono (602) 212-4514 o con [chris.felton@sfxsj.org](mailto:chris.felton@sfxsj.org).

Espero que pronto podamos estar en contacto y ya de antemano le doy las gracias por su generosidad y apoyo.

Con gratitud,

Fr. Dan Sullivan, S.J. Párroco
