Section 1 – Introduction

This directory provides a list of Cigna-HealthSpring's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your healthcare services from your PCP. Your PCP is a physician who is trained to provide general medical care. Your PCP can also coordinate the rest of the covered services you need.

The "network providers" listed in this directory have agreed to provide you with your healthcare, vision and dental services. Please note: Not all Cigna-HealthSpring plans have vision and dental benefits. Please check your Evidence of Coverage to see if your plan has a vision and/or dental benefit. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Even though your PCP is trained to handle the majority of common health needs, there may be a time when you need more specialized treatment. In those situations, you may see a plan specialist. Specialists are doctors who are trained to provide health services for a specific disease or part of the body. For some types of specialists, you will need to obtain a "referral" from your PCP before you can schedule an appointment with the specialist. Below is a list of provider specialty types that require referrals from your PCP before you can schedule an appointment with them. Please note: Some provider types may have been added or removed from the list after this directory was printed. You should check with your PCP or call Customer Service at the phone number on the cover to see if a referral is required to see a specialist or other provider. Note that a referral is different from "prior authorization", which is required before certain services procedures can be performed.

In addition, each PCP has certain plan specialists and hospitals they use for referrals. This means that the Cigna-HealthSpring specialists or hospitals you can use may depend on which PCP you select. If there are specialists or hospitals that you want to use, it is important to find out if your chosen PCP refers to them.

Cigna-HealthSpring has different types of Primary Care Provider relationships. We have contracts with independent physicians and clinic based providers. The following paragraphs describe the relationship these providers have with Cigna-HealthSpring.

- **Independent physicians**
  Independent physicians are of Primary Care and Specialist physicians located in and around your area that are not part of an IPA or POD. If you select an independent Primary Care Physician you should be aware that your PCP will refer you to specialists and hospitals with whom he/she is affiliated and with whom they work closely to coordinate your care. Please confirm whether the referred physician or hospital is a network provider with your plan. You will receive all of your care, including gynecological and specialty care from the physicians affiliated with your PCP. Gynecological care can be accessed through any independent Gynecologist.

There may also be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should contact Customer Service or send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly. (Please note that we cannot pay a provider who has opted out of the Medicare program. Check with your provider before receiving services to confirm that they have not opted out of Medicare.) If we determine that the services are not covered or were not medically necessary, we may deny coverage and you will be responsible for the entire cost.

You may get emergency medical care whenever you need it, anywhere in the United States or its territories. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. Please refer to your Evidence of Coverage for details. You may get covered emergency medical care whenever you need it, anywhere in the world. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers neither Medicare nor Cigna-HealthSpring will be responsible for the costs.

Behavioral Healthcare Services
Behavioral Health services, including mental health and substance abuse services, for beneficiaries covered by Cigna-HealthSpring are provided through Cigna-HealthSpring Behavioral Healthcare Services. Sección 1 – Introducción

Este directorio incluye una lista de los proveedores de la red de Cigna-HealthSpring. Para obtener información detallada acerca de su cobertura de atención médica, por favor consulte su Evidencia de Cobertura.

Deberá elegir uno de nuestros proveedores de la red que figuran en este directorio para que sea su Médico de cabecera (PCP, por sus siglas en inglés). El término “PCP” se usará en todo este directorio. Por lo general, debe recibir sus servicios de atención médica de su PCP. Su PCP es un médico capacitado para brindarle atención médica general. Su PCP también puede coordinar el resto de los servicios en cobertura que usted necesite.

Los “proveedores de la red” que aparecen en este directorio han aceptado brindarle sus servicios de atención médica, cuidado de la vista y atención dental. Por favor tenga en cuenta: No todos los planes de Cigna-HealthSpring tienen beneficios del cuidado de la vista y atención dental. Por favor lea su Evidencia de cobertura para ver si su plan tiene el beneficio de cuidado de la vista y/o atención dental. Usted puede acudir a cualquiera de los proveedores de nuestra red que figuran en este directorio; no obstante, es posible que algunos servicios requieran una referencia. Si usted ha estado acudiendo a un proveedor de la red, no es necesario que continúe consultando a dicho proveedor. En algunos casos, puede recibir servicios cubiertos de proveedores que no pertenecen a la red.

A pesar de que su PCP está capacitado para manejar la mayoría de las necesidades comunes de salud, es posible que, en ocasiones, usted necesite un tratamiento más especializado. En esas situaciones, puede consultar un especialista del plan. Los especialistas son médicos que están capacitados para proporcionar servicios médicos para una enfermedad o parte del cuerpo específicos. Para algunos tipos de especialistas, deberá obtener una "referencia" de su PCP antes de que pueda programar una cita con el especialista. A continuación está una lista de los tipos de proveedores especialistas que requieren referencias de su PCP antes de que pueda programar una cita con ellos. Recuerde: Es posible que se hayan agregado o eliminado de la lista algunos tipos de proveedores, después de la impresión de este directorio. Usted debe consultar con su PCP o llamar al Departamento de servicio al cliente al teléfono que está en la portada para saber si requiere una referencia para visitar un especialista u otro proveedor. Tenga en cuenta que una referencia es diferente a un "autorización previa", misma que se requiere antes de que se puedan realizar ciertos servicios o procedimientos.

Además, cada PCP tiene ciertos especialistas y hospitales del plan que debe usar para las referencias. Esto significa que es posible que los especialistas u hospitales de Cigna-HealthSpring a los que puede acudir dependan de los que su PCP haya seleccionado. En caso de que desee acudir con ciertos especialistas o a ciertos hospitales, es importante que verifique si su PCP lo enviará con los mismos.

Cigna-HealthSpring tiene diferentes tipos de relaciones con los médicos de cabecera. Tenemos contrato con médicos independientes y proveedores que trabajan en clínicas. Los siguientes párrafos describen la relación que los proveedores tienen con Cigna-HealthSpring.

- **Médicos independientes**
  Los médicos Independientes son médicos generales y especialistas que se encuentran en y alrededor de su área que no son parte de una IPA o un POD. Si selecciona a un médico independiente, debe saber que su PCP lo enviará únicamente con especialistas y a hospitales con los que él o ella esté afiliado/a y con quienes trabaje de cerca para coordinar su atención. Por favor confirme si el médico u hospital al que se le envió pertenece a la red del plan. Recibirá toda su atención médica, incluyendo la atención de ginecólogos y especialistas, de médicos que estén afiliados con su PCP. Podrá recibir la atención de cualquier ginecólogo de la red de ginecólogos independientes.

Además, es posible que algunas veces reciba una factura de un proveedor por el costo total de la atención médica que haya recibido. En muchos casos, debe comunicarse con el Departamento de servicio al cliente o enviarnos esta factura en lugar de pagarla. Revisaremos la factura y decidiremos si los servicios deberían cubrirse. Si decidimos que deberían estar cubiertos, le pagaremos directamente al proveedor. (Tenga en cuenta que no podemos pagarle a un proveedor que ha decidido retirarse del programa de Medicare. Consulte a su proveedor antes de recibir los servicios para confirmar que no se retiró del programa de Medicare). Si determinamos que los servicios no son cubiertos o no fueron médicamente necesarios, podemos rechazar la cobertura y usted deberá pagar el costo total.

Puede recibir atención médica de emergencia cuando lo necesite, en cualquier lugar de los Estados Unidos o sus territorios. Nuestro plan cubre servicios de ambulancia en situaciones en las que llegar a una sala de urgencias por otro medio podría poner en peligro su salud. Para más detalles, por favor consulte su Evidencia de cobertura. Puede recibir atención médica de emergencia siempre que la necesite, en cualquier parte del mundo. Si tiene una emergencia, nos comunicaremos con los médicos que le proporcionen la atención de emergencia para ayudar a manejar su atención y darle el seguimiento a la misma. Los médicos que le proporcionen la atención médica decidirán cuándo su estado es estable y ya no representa una emergencia médica. Cuando termine la emergencia, usted tendrá derecho a recibir atención de seguimiento para asegurarse de que su estado continúa estable. Su atención de seguimiento estará cubierta por nuestro plan. Si su atención de emergencia es proporcionada por proveedores fuera de la red, intentaremos organizar para que proveedores de la red se hagan cargo de su atención inmediatamente cuando su afección médica y las circunstancias lo permitan.

Debe acudir con los proveedores del plan excepto en situaciones de emergencia o atención médica urgente o para diálisis renal fuera del área u otros servicios. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Cigna-HealthSpring serán responsables de los costos.

Servicios de atención de la salud emocional
Los servicios de atención de la salud emocional, incluyendo los servicios de salud mental y de abuso de sustancias, para los beneficiarios en cobertura de Cigna-HealthSpring se reciben a través de los Servicios de atención de la salud emocional de Cigna-HealthSpring. Los miembros y los proveedores pueden acceder a los Servicios de atención de la salud emocional de Cigna-HealthSpring llamando al 1-866-780-8546 (TTY 711) para recibir ayuda para encontrar un profesional de atención de la salud emocional o para solicitar una autorización de internamiento. Los Servicios de atención de la salud emocional de Cigna-HealthSpring están disponibles las 24 horas del día, los 7 días de la semana.

Introduction

This booklet provides a list of Cigna-HealthSpring's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Cigna-HealthSpring's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Cigna-HealthSpring only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2015. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.cignahealthspring.com. You may also call Customer Service for updated provider information.

You can get prescription drugs shipped to your home through our network mail order delivery service. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please contact us at 1-800-668-3813 (TTY 711). For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for GA Counties: Baldwin, Banks, Barrow, Bartow, Butts, Chattooga, Cherokee, Clarke, Clayton, Cobb, Coweta, Dawson, DeKalb, Douglas, Elbert, Fayette, Floyd, Forsyth, Franklin, Fulton, Gordon, Greene, Gwinnett, Habersham, Hall, Hart, Henry, Jackson, Jasper, Lamar, Lumpkin, Madison, Morgan, Newton, Oconee, Oglethorpe, Paulding, Pickens, Pike, Polk, Putnam, Rabun, Rockdale, Spalding, Stephens, Walton, White, Wilkes.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact Cigna-HealthSpring.

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Cigna-HealthSpring is contracted with Medicare for PDP plans, HMO and PPO plans in select states, and with select State Medicaid programs. Enrollment in Cigna-HealthSpring depends on contract renewal.

Introducción

Este folleto incluye una lista de las farmacias de la red de Cigna-HealthSpring. Para obtener una descripción completa de su cobertura de medicamentos recetados, incluyendo cómo surtir sus recetas, consulte la Evidencia de cobertura y el Formulario de Cigna-HealthSpring.

Las farmacias de esta lista se consideran “farmacias de la red” debido a que hemos hecho arreglos con ellas para proporcionar medicamentos recetados a los miembros del Plan. En la mayoría de los casos, sus medicamentos recetados estarán cubiertos por Cigna-HealthSpring sólo si se surten en una farmacia de la red o a través de nuestro servicio de farmacia de orden por correo. Una vez que va a una farmacia, no se le exige que continúe yendo a la misma farmacia para surtir su receta médica. Pero puede cambiarse a cualquier otra de nuestras farmacias de la red. Surtiremos las recetas de medicamentos en farmacias que no pertenecen a la red bajo determinadas circunstancias, tal y como se describe en su Evidencia de cobertura.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Es posible que se hayan agregado o eliminado de la lista después de haber impreso este directorio. Esto significa que es posible que las farmacias aquí incluidas ya no estén en nuestra red, o que haya farmacias más nuevas en nuestra red que no estén incluidas. Esta lista está actualizada a partir de agosto de 2015. Para la lista más actual, favor de ponerse en contacto con nosotros. Nuestra información de contacto aparece en la página frontal y en la contraportada.

Puede pedir que los medicamentos recetados se le envíen a su casa a través de nuestro servicio de entrega de orden por correo de la red. Normalmente, debe esperar recibir sus medicamentos recetados en un término de 14 días a partir de la fecha en que la farmacia de orden por correo reciba la orden y su método de pago. En caso de que usted no reciba su(s) medicamento(s) recetado(s) dentro de este tiempo, favor de ponerse en contacto con nosotros al 1-800-668-3813 (TTY 711). Para más información, por favor póngase en contacto con nosotros o vea la sección de orden por correo de este directorio de farmacias.

Este directorio es para los Condados en GA de: Baldwin, Banks, Barrow, Bartow, Butts, Chattooga, Cherokee, Clarke, Clayton, Cobb, Coweta, Dawson, DeKalb, Douglas, Elbert, Fayette, Floyd, Forsyth, Franklin, Fulton, Gordon, Greene, Gwinnett, Habersham, Hall, Hart, Henry, Jackson, Jasper, Lamar, Lumpkin, Madison, Morgan, Newton, Oconee, Oglethorpe, Paulding, Pickens, Pike, Polk, Putnam, Rabun, Rockdale, Spalding, Stephens, Walton, White, Wilkes**.**

Si tiene preguntas sobre lo mencionado anteriormente, incluyendo las instrucciones sobre cómo enviar reclamos por medicamentos que debe surtir en una farmacia que no pertenece a la red, por favor vea la primera y última página de este directorio para la información sobre cómo ponerse en contacto con Cigna-HealthSpring..
El formulario, la red de farmacias, y/o la red de proveedores pueden cambiar en cualquier momento. Recibirá un aviso cuando sea necesario.
Cigna-HealthSpring tiene contrato con Medicare para planes PDP, planes HMO y PPO en ciertos estados, y con ciertos programas estatales de Medicaid. La inscripción en Cigna-HealthSpring depende de la renovación de contrato.
