OFFICE OF HOMELAND SECURITY AND PREPAREDNESS

## Understanding and Planning for School Bomb Incidents (AWR-132)

The New Jersey Office of Homeland Security and Preparedness and the New Jersey Department of Education will sponsor **two** deliveries of an eight-hour training program titled: “Understanding and Planning for School Bomb Incidents (AWR- 132).” The program will be delivered by the New Mexico Tech (NMT), Energetic Materials Research & Testing Center (EMRTC), a member of the National Domestic Preparedness Consortium (NDPC).

### Description

This awareness level course provides participants with the language and tools required to effectively assess school bomb incident response plans and guide recommendations. The course identifies the factors involved in school bomb threats; critical response actions based on scenario types; the primary components of an improvised explosive device; and critical components of a school bomb related response plan.

### Audience

School Administration, Emergency Management, Emergency Medical Services, Fire Service, Governmental Administrative, Law Enforcement, Health Care, Public Health, Public Safety Communications, Citizen/Community Volunteer, Security and Safety.

### Registration

All participants must have a FEMA Student Identification Number (SID). To create, retrieve or for additional information to obtain a SID, visit: <https://cdp.dhs.gov/femasid/>  
Spaces are limited and preregistration is required **no later than one week prior to each delivery**. For your convenience please select the cell below for the date and location you wish to attend and you will automatically be linked to the associated registration form. This is the only method of registering for this training. All information is **required** and be sure to accurately enter your e-mail address given this will be our method of communicating with you. After completing the form, select the “**Submit**” button at the bottom of the link page.
