# Create a Culture of Generosity

Is your congregation's approach to stewardship stuck in a rut? Are you living in a state of scarcity and longing for abundance? Do you long for your church's members to enjoy the spiritual rewards of a generous life?

The Presbyterian Foundation and the Board of Pensions have collaborated to create an interactive seminar designed to help you move your church from conducting a traditional stewardship campaign to building a year-round, spiritually-based culture of generosity.

For more information, contact Olanda Carr at [olanda.carr@presbyterianfoundation.org](mailto:olanda.carr@presbyterianfoundation.org)

This seminar will provide ideas on organizing your generosity/stewardship leadership group, communicating with the different generations that exist in your congregation, integrating all aspects of your church into the life of generosity, and teaching the spirituality of generosity.

Be prepared to evaluate your current program, and walk away with a new excitement and energy about generosity for the future of your church.
