PRESCRIPTION SAFETY EYEWEAR PLUS ADDITIONAL DISCOUNTS ON DRESS EYEWEAR

Effective today, we have entered into agreement with F.O. Safety Eyewear Inc to provide our ECAS members with prescription safety eyewear at program pricing. To receive your eyewear:

- Bring a valid prescription to any Factory Optical/Optiks International location (or call to see if one of the locations can provide you an eye exam).
- Factory Optical/Optiks International has extended special discount pricing on all prescription safety eyewear. You can access these savings by simply announcing your affiliation with Electrical Contractors Assoc of Sask while in store to choose your safety eyewear.
- The staff at Factory Optical/Optiks International will order your eyewear using digitally manufactured lenses and contact you approximately 10 business days later when your safety eyewear is complete and ready to be picked up.

Additional Dress Eyewear Discounts for all employees and their families:

- Each of our ECAS members and their immediate families will receive an additional 5% discount on their dress eyewear by simply announcing their affiliation with us. These discounts are applied to the Factory Optical/Optiks International everyday 2-4-1.

At Factory Optical/Optiks International you are provided over 1000 Designer frames to choose your dresswear from (even up to 5000 in the superstore locations), Optometrists on site in most locations, and a commitment to service that is unmatched. Their everyday 2 for 1 prides itself on providing you 2 pairs of designer eyewear at or below the price of the competition and now includes all DIGITAL lenses.
