

RAISING RACINE

Mid-Year Progress Report, March 2015

Priorities:

Raise Achievement

Close Achievement Gaps

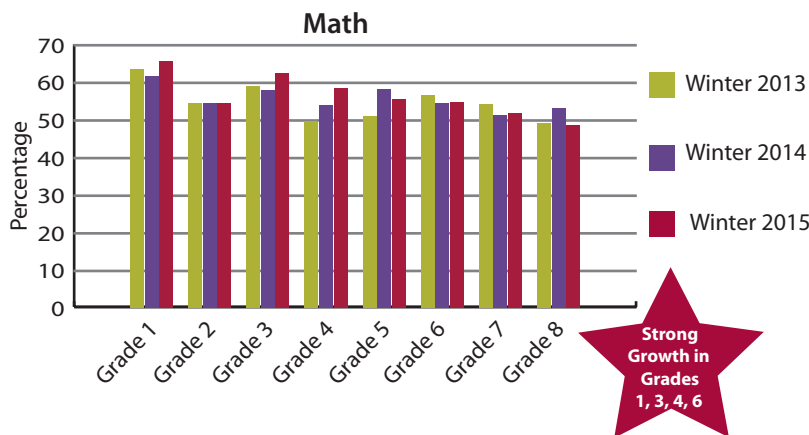

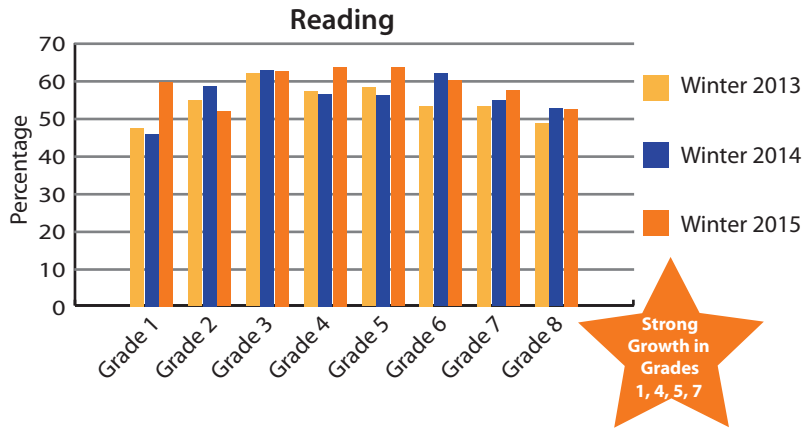

Create Positive Learning Environments

Academics

MAP Scores

Percentage of students meeting or exceeding mid-year MAP growth targets

Increased support for struggling learners.

Focus on **quality lesson planning** for K-12.

Improved **continuum of services** for special education students.

Specific training for kindergarten and grade 1 teachers in **reading instruction**.

Constant work to provide quality training for **all staff**.

Human Capital

Improved substitute daily fill rate.

Expanded support so a greater number of excellent teachers earn **National Board certification**.

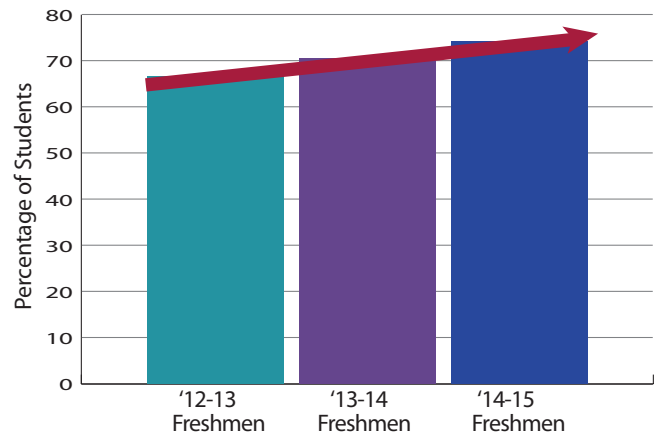

Enhanced **Encore! Awards** selection process will honor more of RUSD's finest teachers in May.

Partnerships with seven accredited higher education institutions to help all staff **grow and advance** their careers in RUSD.

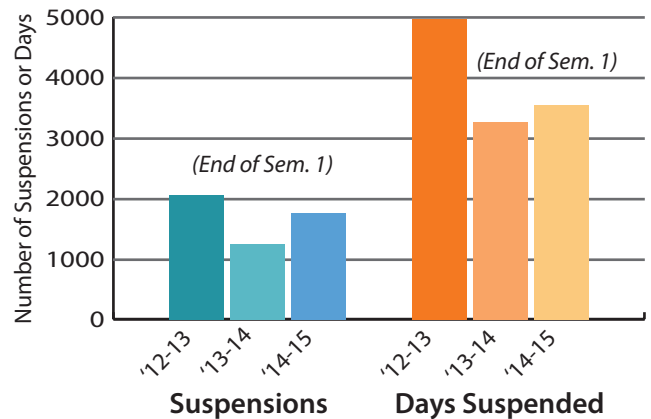

Schools

More Freshmen on Track to Graduation

9th-grade students with 3 or more credits at the end of first semester

Suspensions

Improved accuracy in discipline reporting may contribute to slight increase in suspension data.

Communications

18 new school websites launched.

140+ parents and community members **collectively working to improve RUSD** through Superintendent, Facilities & Technology Advisory Councils as well as Parent Key Communicators.

Operations & Referendum Progress

5,250 Chromebook laptops purchased to ensure a student to Chromebook ratio of 4:1 at all schools.

Architects hired to design **new Knapp and Olympia Brown elementary schools** and **addition for Gifford** to become K-8.

Planning summer construction & maintenance for **major capital improvements** at many RUSD schools.

New bus tracker smartphone app for parents provides up-to-date information on student transportation.
