Teacher Spotlight:

Jamie Bell

3rd Grade Teacher

By: Jayla Adams

Mrs. Jamie Bell grew up in Ft. Worth, Texas, and attended the University of North Texas. Since she was in kindergarten she has wanted to be a teacher because every teacher she has had has been AMAZING.

This is her seventh year of teaching. She also enjoys cake decorating, volunteering at church and spending time with her family. Her absolute favorite thing to do is spend time with her husband and her kids. She has two kids; Sawyer in kindergarten and Caroline is in second grade. Her favorite place is Disney World in Florida. She wishes she could be there right now. Mrs. Bell loves watching the Dallas Cowboys play football. When Mrs. Bell was younger she liked to play tennis. We are so thankful for Mrs. Bell! She is a great third grade teacher.

Sports

By: Landon Culwell

The Oklahoma Sooners traveled to Waco, TX, to play the Baylor Bears on November 14th. The Bears were undefeated at the start of the rainy Saturday night game. Baylor got off to a good start and got the first touchdown of the game. Oklahoma's quarterback, Baker Mayfield, threw 3 touchdown passes. The Oklahoma defense was able to hold Baylor the rest of the game for a 44-34 win. Go Sooners!

Easy Recipes

Black Bean Dip

By: Jayla Adams

For this easy to make recipe you'll need:

1 can of unheated black beans

1 can of unheated corn

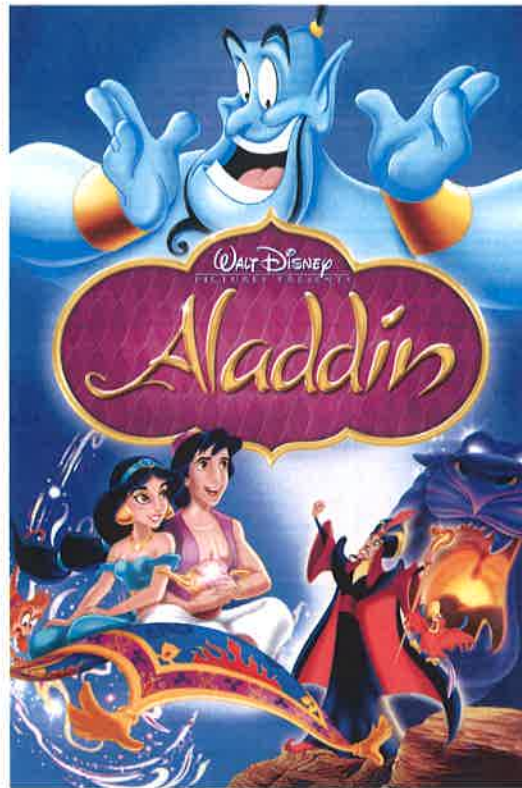

Then you can get your favorite salsa (my favorite is Texas Texas salsa)

Mix the can of corn and black beans together and the desired amount of salsa.

You can also put in cilantro to taste if you would like.

This is a great dip for the holidays.

I hope you and your family enjoy this dip!

A Movie Review

By: Eleanor Davis

Aladdin is a homeless, I'd say 18 year old, boy who steals food because he has no money. One day he walks into a parade featuring suitors for the princess. Another day the princess, Jasmine, runs away. They bump into each other at the market and save each other. But, Aladdin goes to prison where he's taken to "The Cave of Wonders" by a strange man. They find a lamp and get trapped because of the strange man, who turns out to be Jafar, an unknown villain. The lamp has a genie in it; they let out the genie. With Jafar on his tail he, gets into trouble. Want to know what's next? Watch Aladdin! It is a great movie that has adventure, comedy and singing.

Olivia & Melayna: Our guest interview was with Ms. Michelle who is on the Rhome Volunteer Fire Department.

Melayna: What is your favorite piece of equipment?

Ms. Michelle: I really like engine three; it's the biggest.

Olivia: What is one tip for people to stay safe at home in your opinion?

Ms. Michelle: Never play with matches and always make sure to blow out the candles before leaving your home.

Melayna: What tips do you have on being a safe driver?

Ms. Michelle: Always wear a seatbelt and never text and drive.

Olivia: What inspired you to be a fire fighter?

Ms. Michelle: The people who need help inspired me; it feels pretty good.

Melayna: What is the difference between full time and voluntary?

Ms. Michelle: A voluntary dept. does it just because they want to, and a full time department goes through more training and get paid.

Olivia: Do you have any traditions or rituals?

Ms. Michelle: I always wear my lucky red hood.

Melayna: What is your favorite part of your job?

Ms. Michelle: It's actually all pretty fun, except washing the trucks.

Olivia: In your opinion who has a better job a police officer or a fire fighter?

Ms. Michelle: They are both good jobs and are very important. Personally I enjoy being a fire fighter a lot more than I think I would being a police officer.
