

This service is perfect for homeowners who need design ideas and expertise for a specific area of their garden or general suggestions on how to achieve a more cohesive look.

Please call or email me to discuss your needs and set up an appointment.

LANDSCAPE CONSULTATION

This will include;

- Assessment of area(s) in question
- Identification of design/planting/ cultural problems and suggestions for improvements
- Advice on soil management and environmentally sound gardening practices
- Advice on care and maintenance of existing plant materials.
- Photographs may be taken for future reference

Fee; \$60/hour with a 2 hour maximum.

Please note;

- It will be *your* responsibility to take notes during my visit. The consultation fee does not include a typed summary of our discussion and ideas
- I would be happy to discuss the preparation of a more extensive landscape design during our consultation, should it be required. Design services are available for an additional fee.
