Federal Contractor Seminar (OFCCP)

As a part of OFCCP's ongoing efforts to support federal contractor compliance with the new Section 503 of the Rehabilitation Act (Section 503) and the Vietnam Era Veterans' Readjustment Assistance Act (VEVRAA) regulations, the agency is providing compliance assistance on these regulations. This compliance assistance will provide background information about the regulations, why we made the changes and provide a walk-through of the key changes to the regulations and where you may access additional resources to further assist you in your compliance.
