DEAR HEROES,

We can't stop fighting hunger just because it's hot outside! Hungry kids need more help during summer than any other time of year. Even though many kids can get breakfast and lunch from school, during summer these meals are not always available to them. One in three children in Arizona is at risk of going to bed hungry. Being hungry all the time can make it tough to learn, grow and play.

By being a Junior Hunger Hero you are already helping kids in Arizona! Encourage your family and friends to help too. They can come volunteer at the food bank or donate to St. Mary's Food Bank. You can also ask you friends to join you and become a Junior Hunger Hero. It's easy! All they have to do is donate a jar of peanut butter and jelly. Every little bit helps. You guys rock!

## > CARSON AND CAPRICE ALWAYS HELP THE HUNGRY!

Carson and Caprice are twins who have been Junior Hunger Heroes for two years! They joined Junior Hunger Heroes because they think it's important to help people who don't have food or drinks. They love coming in to St. Mary's to sort food.

For their birthday, instead of presents, the twins asked their friends to bring in food to donate to St. Mary's. Carson said it was a little hard not to get birthday presents from his friends, but he felt happy that he could give food to hungry people instead.

Carson and Caprice also raised money for St. Mary's by having a yard sale and selling lemonade. They gave the money that they made to St. Mary's because they know it's important to help the hungry.
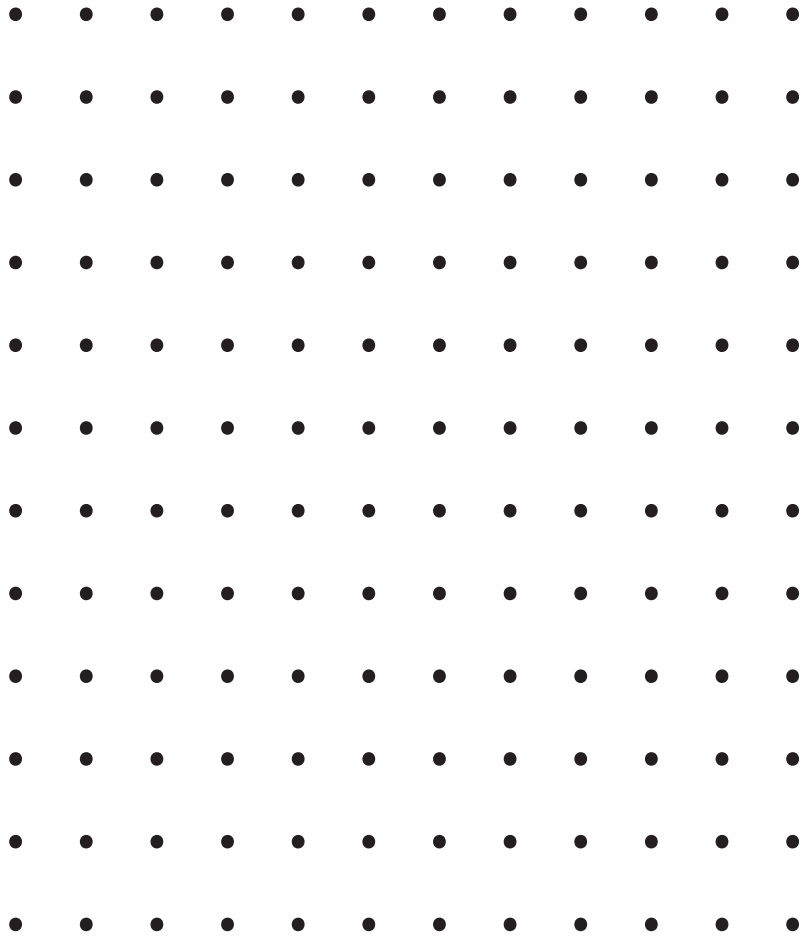

Thank you Carson and Caprice for always helping other people!

THE DOT GAME

Play with 2-4 players and take turns adding a single horizontal or vertical line between two unconnected dots. (Diagonal lines aren't allowed!)

The player who completes the fourth side of the box puts their initials in the box and takes another turn. The game ends when no more lines can be drawn. The person with the most boxes is the winner!
