

"The Milwaukee Community Educators Recognition Event is a wonderful opportunity to thank our teachers and friends who contribute so much of themselves to all of their students. Our educators are a blessing to this community and it is a privilege to participate in this lovely afternoon."

— Rabbi Marcey Rosenbaum

"CJL has been invaluable to my professional development as a teacher in both a day school and a congregational school. CJL has afforded me opportunities to take classes through CSI, attend conferences through the TRIP program, and spend a week in Poland with other local educators. I am grateful our community has CJL, which greatly invests in and supports its educators!"

— Susie Rosengarten

One who learns from all people, as it says, "I have acquired understanding from all my teachers." (Psalms 119:99)
