

Sunrise Partner Project

The Florida Naturopathic Physicians Association (FNPA) is excited to offer an unparalleled opportunity to garner the attention and goodwill of natural product consumers who live in Florida. Here is what your company needs to know:

- Naturopathic doctors (NDs) use nutritional, herbal, and homeopathic preparations to treat illness
- FNPA represents the professional interests of NDs in Florida
- Our primary goal is to re-establish licensure for NDs in our state
- Our first step is to officially rebut the '*Sunrise Report on Proposed Licensure of Naturopathic Physicians*'
- This '*Sunrise Report*' was issued in January 2004 and concluded that NDs should not be granted licenses
- FNPA has a qualified legal consultant ready to tackle our official rebuttal
- Her fee for the project is \$10,000

This is where the **FNPA's Sunrise Partner Project** comes in! We are seeking 20 companies who are each willing to donate \$500 to help us take this first big step towards licensing NDs in Florida.

As a way of saying 'Thank You' to our Sunrise Partners, we will include your company name, company logo, and basic company information on the 'Sunrise Partners' page our website. Our site gets roughly 1,000 visits per month from Florida citizens and your information will be posted for no less than 12 months. In addition, Sunrise Partners will be featured in 2 articles in our monthly newsletter, which currently reaches 750 Floridians per month.

Most importantly, **your one-time donation of \$500 will earn your company a lifetime of gratitude and goodwill from the citizens of Florida.** Don't miss out on this limited opportunity to become one of our Sunrise Partners today!

To become an FNPA Sunrise Partner today, please email Dr. Todd Robinson at Secretary@FNPA.org.
