

FALL 2013

MABMH* Blend Course

*Masters in Bioethics and Medical Humanities Program

MEDICAL ETHICS/HUMANITIES: TOOLS AND FOUNDATIONS

GMS 6870 CRN 83435

Tuesdays

5:00 pm- 6:50 pm, MDC 1507

3 credit hours

This **Tools and Foundations** course considers stories about complexities associated with the human journey from birth to death by way of **medical humanities** (literature, film, poetry) and **ethics** (principles, tools, cases, critical issues).

Target students: MABMH, MS, MPH

Faculty:

Lois LaCivita Nixon, PhD, MPH, MAT, MLitt

Robert M. Walker, MD
