

Center for Children and Families

The Department of Psychology at FIU is currently conducting a study on memory and spatial abilities in children (ages 3-6 years).

-
- WHO:** We are looking for children between the ages of **3 and 6** years who have **never** been diagnosed with a mental or behavioral disorder.
- WHAT:** Participants will spend about 1 hour completing spatial and episodic memory tasks.
- WHERE:** This study will be conducted in the Brain and Behavioral Development Laboratory (BBDL) at Florida International University- Modesto A. Maidique Campus, 11200 SW 8th Street, Miami, Florida 33174, Deuxieme Maison (DM) Room 200A.

Families will receive a \$15 Gift Card and a small toy
for their child's participation in the study.

Interested families can learn more information or schedule an appointment
by calling 305-348-4947.
