

INTERNAL MEDICINE

You're invited to a very special presentation, and an enjoyable evening of dinner and great company!

Dr. David C. Twedt graduated from Iowa State University and entered an internship and medicine residency in gastroenterology at The Animal Medical Center in NYC. Dr. Twedt then joined the staff of the Animal Medical Center and was also a research associate at the Liver Research Center of Albert Einstein Medical School. Dr. Twedt is currently a Diplomate of the ACVIM, Professor in the Department of Clinical Sciences at Colorado State University and small animal internal medicine. He also directs the small animal veterinary endoscopy unit at Colorado State University. Dr. Twedt is past President of the ACVIM as well as the Comparative Gastroenterology Society. Publication and research interests include liver disease, gastrointestinal disease and endoscopy. He has also been the recipient of several teaching and research awards. He lectures nationally and internationally. He is the author of numerous publications and papers, and he is also the co-editor of the textbook, "Current Veterinary Therapy."
