

SURGERY

You're invited to a very special presentation, and an enjoyable evening of dinner and great company!

Dr. Sady Cabrera completed her undergraduate work at California Polytechnic State University, San Luis Obispo and then received her Doctorate of Veterinary Medicine from the University of California, Davis in 1996. Dr. Cabrera worked as a general practitioner in Southern California for 7 years and then pursued a specialty in small animal surgery. She completed a surgical residency at VCA West Los Angeles Animal Hospital in 2007, and later received her board certification from the American College of Veterinary Surgeons.

Since October 1998, Dr. Cabrera has been an associate doctor and surgeon veterinary specialist for VCA West Los Angeles Animal Hospital and VCA California Animal Hospital Veterinary Specialty Group. Dr. Cabrera specializes in orthopedics, soft tissue surgery and neurosurgery. Her areas of interest are orthopedics and minimal invasive surgery, including minimal invasive fracture repair, arthroscopy and laparoscopy.
