

11 Step Waiver Certification Process

Step 1

You first must accept the waiver and select a Support Coordination Agency.

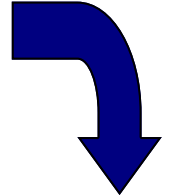

Step 2

SRI will send your info to the Support Coordination Agency. You should receive a call within 3 days.

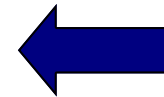

Step 3

You will choose a Service Provider. The Service Provider is the company that hires the people to provide Direct Services.

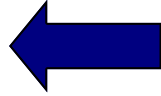

Step 4

IMMEDIATELY make a doctor's appointment. You will need the doctor to fill out the **90L form** (medical certification).

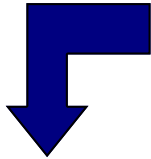

Step 5

Complete the Medicaid Application Form. Even if you did it before, do it again.

Step 6

ONLY NOW waivers - a Supports Intensity Scale (SIS) and LaPlus Assessment must be completed.

Step 7

Hold the Comprehensive Plan of Care (CPOC) Meeting.

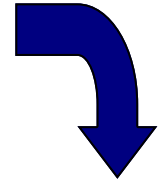

Step 8

CPOC is sent to the Regional Waiver Office for review and approval.

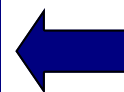

Step 9

Waiver Office will contact you for a Home Certification Meeting.

Step 10

Upon completion of Step 9, the Waiver office sends additional documentation to Medicaid. Medicaid completes your eligibility. Authorization will be mailed stating your approval.

Step 11

Waiver Services can begin in your home. Support Coordinator must meet with you in 10 days after your services start.
