It's not just about hurricanes!! Do you or your direct support worker know what to do if there is gunfire at the mall when you are there? Do you know what to do if there is a chemical accident near your home? Do you have a plan in place for your child with Autism who wanders?

This presentation will provide information and resources and help you think about developing a true **ALL-Hazards Preparedness** plan to protect yourself and your loved ones. Who should attend: individuals with special health care needs and/or disabilities and their families; transitioning youth with disabilities; individuals interested in self-directed waivers; direct support workers; support coordinators; anyone working with or caring for individuals special health care needs or disabilities.
