

We need your help!

Because your thoughts matter to us

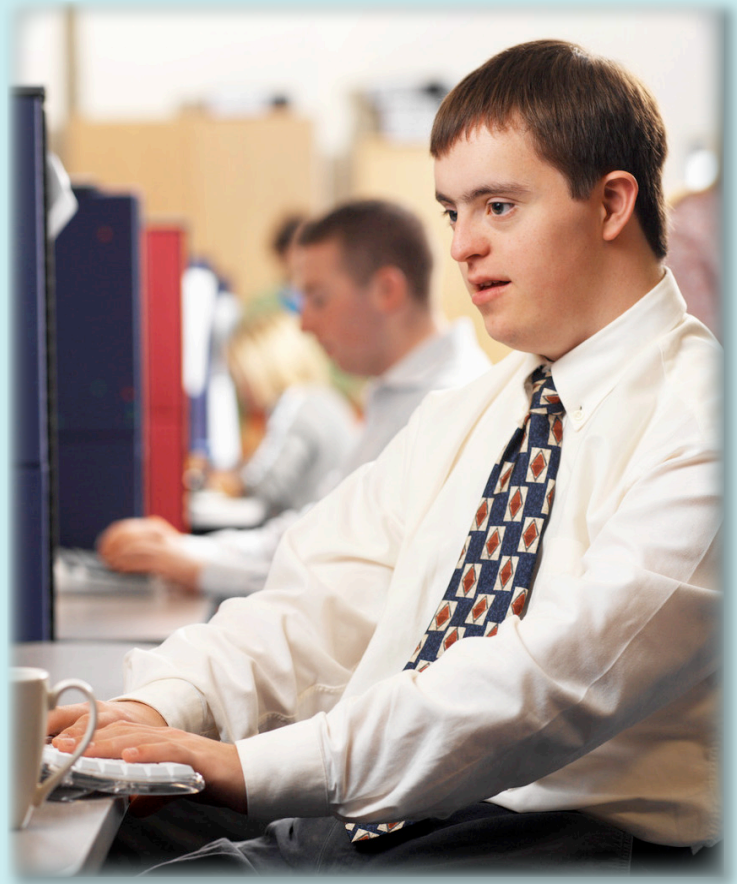

More than 4,000 individuals with developmental disabilities in Louisiana have been randomly selected to participate in the National Core Indicators Consumer Survey.

If you were selected, we encourage you and your family or guardian to participate. Your valued feedback and input will assist the Office for Citizens with Developmental Disabilities provide meaningful services and programs.

Help us, help you, as we work together to improve the quality of life for individuals with developmental disabilities.

National Core Indicators:

- ▶ CHOICE
Do you have a choice about your life? Are you involved in planning services?
- ▶ WORK
Do you have a job? Do your co-workers treat you with respect? Does your company offer you benefits?
- ▶ COMMUNITY INCLUSION
Have you gone shopping in the last month? Have you gone out for entertainment?
- ▶ HEALTH & WELLNESS
Do you have a doctor? Have you had a dental or vision exam in the past year?
