

FIND OUT IF YOU ARE AT RISK FOR **AAA**.

AAA is a ballooning of the abdominal aorta, the artery that carries blood to the lower part of the body. **AAA** is a potentially life-threatening condition, and research suggests that more than one million people are living today with an undiagnosed **AAA**.

Join us for a FREE AAA Ultrasound Screening

- ▶ July 16, 2016
8 a.m. -noon
- ▶ LSU Health -Healthcare Network
3700 St. Charles Avenue
New Orleans, LA 70115
- ▶ Advance registration and 8-hour fast required.
Call **(888) 871-3801** for an appointment.
