Self-Advocacy: **People with disabilities have the right to advocate for themselves.** This means they have the right to speak or act on their own behalf or on behalf of other people with disabilities, whether the issue is personal (e.g., housing, work, friends) or related to public policy.

Recognizing these rights in a respectful partnership between people with and without disabilities can lead to better outcomes and better lives in the community for everyone.

Join us and hear this powerful testimony from Self Advocate, Ricki Ainey.
