Summer can be a time of lots of fun but we tend to lose track of our normal routines, which includes our eating habits. That is why we have teamed up with The LSU AgCenter to provide a free series of 6 lessons about having a healthy lifestyle. The lessons will be on healthy eating habits, easy recipes, and food management. You can find the complete list all of the topics that will be covered and the dates on the schedule behind this flyer. This is series is for youth with disabilities between the ages of 16-26 and their parents, PCA's, guardians, and family are welcome to attend. We hope to encourage you to have a fun and healthy summer.
