Children or adults with disabilities often receive public health benefits, like Medicaid, SSI, and Waiver services due to their disability. Special needs trusts can be **prepared** to **protect** these benefits when assets are inherited from family members. You will learn about the **importance** of special needs trusts, ABLE Accounts, and **legal options** concerning the **age of majority**, turning 18 years old, in Louisiana.

Join us and be prepared for the future of your loved one with a disability!
