

# Clinical Insights in Cystic Fibrosis

**Thursday, July 16, 2015 • Ottavio's • 6:00 PM**

## Overview

This interactive CME accredited activity is designed for the entire CF treatment team. The activity features a live interview with a CF patient, case studies and open discussion. The activity is designed to address evidence-based treatment approaches and progress in the management of chronic airway infection in cystic fibrosis.

## Faculty

Chris Landon, MD, FAAP, FCCP, CMD  
Clinical Associate Professor of Pediatrics  
University of Southern California  
Pediatric Pulmonology Department CHLA  
Director, Cystic Fibrosis Foundation Clinic  
Ventura, CA

## Agenda

6:00 PM Dinner  
6:30 PM Patient Interview  
6:50 PM Scientific Presentation  
7:40 PM Case Studies with Q&A  
8:00 PM Evaluation and Adjournment

## Location

Ottavio's Restaurant  
1620 Ventura Blvd.  
Camarillo, CA 93010  
(805) 482-3810

## Learning Objectives

As a result of attending this activity, participants will be able to:

- Facilitate the transition to adult patient care by providing age-appropriate, targeted evaluation, education, and care.
- Use every patient and family interaction as an opportunity to reinforce instruction pertaining to infection prevention and control.
- Select aerosolized antibiotics with proven long-term efficacy and safety in patients with chronic airway infection.
- Assess patient response to treatment by monitoring pulmonary function, clinical symptoms, and microbial response.
- Employ a multidisciplinary, patient-engaged strategy to augment understanding of and commitment to the treatment plan.
- Compare and contrast the possible treatment options for the presented patient case.

ABcomm, Inc. is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## Credit Designation

ABcomm, Inc. designates this live educational activity for a maximum of 1.5 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Disclosure

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support educational activities all faculty, authors, editors and planning committee members participating in an ABcomm sponsored activity are required to disclose any relevant financial interest or other relationship with the manufactures(s) of any commercial product (s) and/or providers(s) of commercial services that are discussed in an educational activity. For this activity, the following affiliations/financial interests have been disclosed:

Chris Landon, MD receives grant/research support from Gilead Sciences. Daniel Rosenbluth, MD (Faculty Advisor) receives grant/research support from the Cystic Fibrosis Foundation and Cystic Fibrosis Foundation Therapeutics. He also serves as a consultant for Gilead Sciences. Linda Dennerlein, PharmD (Medical Writer) has no relevant financial relationships to disclose. ABcomm staff has no relevant financial relationships to disclose.
