

Ashley Wachsman, MD

Background

Cross-Sectional Imaging
Interventional Oncology

Ashley Wachsman, MD is an attending staff radiologist with the S. Mark Taper Foundation Imaging Center. Before coming to Cedars-Sinai, Dr. Wachsman served as a full-time clinical instructor and an assistant clinical professor of radiology at Keck School of Medicine, University of Southern California Medical Center, Los Angeles.

Dr. Wachsman is board certified in radiology and licensed in the state of California. His clinical interests include cross sectional imaging and non-vascular interventional procedures, including interventional oncology and ablation of liver tumors.

A graduate of the Mount Sinai School of Medicine, New York, Dr. Wachsman completed his residency in diagnostic radiology at Cedars-Sinai Medical Center. He also completed a fellowship in body imaging at Los Angeles County + USC Medical Center with a special expertise in computed tomography (CT), ultrasound and general radiology. Dr. Wachsman has been featured in the Super Doctors® edition of Los Angeles magazine.

Namita Singh, MD

Namita Singh, MD is a board-certified Pediatric Gastroenterologist in the Pediatric Gastroenterology and Inflammatory Bowel Diseases Program at Cedars-Sinai Medical Center, and an Assistant Professor of Pediatrics at David Geffen School of Medicine, at UCLA.

Dr. Singh is an active investigator in IBD clinical research. Her research interests include individualizing therapy with the use of therapeutic drug monitoring of biologics, examining predictors of response in biologic-treated IBD patients, and utilizing non-invasive modalities to assess disease activity and treatment response.

She participates on the national pediatric IBD committee as part of NASPGHAN (North American Society of Pediatric Gastroenterology, Hepatology and Nutrition), is active in CCFA (Crohn's and Colitis Foundation of America) national committees and has published in peer-reviewed journals, including *Journal of Pediatric Gastroenterology and Nutrition* and *Journal of Inflammatory Bowel Diseases*. A graduate of the David Geffen School of Medicine at UCLA, Dr. Singh completed her pediatric residency at UCLA, pediatric gastroenterology fellowship at University of Washington and an additional Advanced Fellowship in IBD clinical research at Cedars-Sinai Medical Center.
