## Disarming a Dozen Dangerous Subcontract Clauses

Join Dan McLennon of McLennon Law Corporation as he shares nearly 30 years experience in protecting subcontractors from dangerous subcontract clauses. Learn how to condition your bids to gain maximum negotiating leverage, and learn negotiating tips on how to persuade general contractors to make critical contract clauses fair to you, the subcontractor. Handouts include Dan's 3-part article published on this topic in the Contractor's Compass, along with workshop slides.
