Register by Email

DESCRIPTION

Small mistakes in an estimate can have a huge impact on your bid's bottom line and this course provides the tools needed to be both comprehensive and competitive.

This course will discuss the process for assembling an estimate including: developing material lists, applying labor unit data, material takeoff, and application of direct job costs, overhead, and profit.

To Register, Contact Juanita Mitchell

☎ 925/ 828-6322

✉ juanitas@norcalneca.org
