

# ARE YOU A PROJECT MANAGER OR A PROJECT WITNESS?

## PROJECT MANAGEMENT

**Register by Email**

### DESCRIPTION

The program is designed to uncover real productivity potential by teaching process improvement along with management and leadership techniques. Norb will instruct participants how to stop getting by and start getting results.

**Following this class, participants will be able to:**

- Differentiate between a manager and witness
- List the phases of the management process
- Discuss how to manage the cost of a project
- Explain effective management and leadership techniques

**Participants who successfully complete this seminar will be awarded 6 Continued Education Units (6hrs).**
