

ELECTRICAL PROJECT SUPERVISION LEVEL 1-STOCKTON

A good foreman is often a company's most valuable asset. This course will provide important knowledge and skills for foremen with a wide range of responsibilities. It will enrich an understanding of the business and process of construction and enable IBEW foremen to ensure that work is done correctly, safely, within budget and on time. Anyone interested in improving their skills as a foreman should attend this training class. ***This class is a requirement to qualify for foreman callout by name (where applicable).*** Questions? Contact Juanita Mitchell at the NorCal NECA Office 925-828-6322.

Participants **MUST ATTEND ALL SIX CONSECUTIVE CLASSES** to receive a certificate of completion. **No make-up classes allowed.**

Dates: January 25, 26, 27, February 1, 2 & 3, 2016
Time: 4:30PM - 8:30PM
Location: Joint Apprenticeship Training Center
1531 El Pinal Dr.
Stockton, CA 95205
Cost: \$45.00 (includes material & meals)

About the Facilitator of EPS Classes

Bob Tieman currently works for IBEW Local 595 with 31 years of general foreman experience from various electrical construction companies including overseeing and ensuring safety, scheduling and managing work crews while maintaining employee morale on job sites. He graduated from a four year apprenticeship program in the 1980's, and served as a JATC Trustee for 12 years.
