On what always promises to be a fun night in December, the Vail Public Library will be hosting our dear friend and library patron– Santa Claus. To make the evening that much more enjoyable, our friendly teen aged elves will be helping children with games, crafts and maybe a sing along. The merry party begins at 5:30. Those who wish to sit on Santa’s lap will have an opportunity. All the little darlings are encouraged to wear their holiday dress up clothes and parents are reminded to bring a camera. It is a fun and free evening to be enjoyed by children of all ages. Suggested donation of a canned food item will be collected at the door on behalf of the local Salvation Army.
