ABOUT CHILDREN'S GLOBAL ALLIANCE

Children's Global Alliance is a 501(C)3 non-profit organization based in Vail, Colorado. The organization was created in 2010 to fill the void of large-scale volunteer experiences for children ages 12-17. Our organization offers service-learning opportunities for students from the United States to Cambodia, Nicaragua, Tanzania, Morocco and Nepal. While in these countries, students volunteer with the poor, disabled and orphaned children who live there.

Children's Global Alliance gives student volunteers unparalleled hands-on experience and permits them to be immersed in a completely different way of life. Our young volunteers are able to witness an up close and personal example of what life is like for children living in poverty. We also work to build character, promote integrity, and learn the importance of accountability and communication from the moment the students are chosen.
