The Basics: Succeed Scholarship Program

When is it available?  
Beginning in the 2016/2017 school year

Who is eligible?  
A student is eligible for the Succeed Scholarship Program if the student:  
- is currently enrolled in a public school and has been for at least 1 full school year (unless the student is a child of an active duty service member);  
- has an individualized education program; and  
- has been accepted for admission to an eligible private school.

What does it do?  
Provides funding up to the maximum foundation funding per-student funding in the current school year amount for eligible students to attend a private school that will meet the needs of the student.

How do I apply?  
Complete the form provided by the Arkansas Department of Education and return it to the department.
