VOLUNTEER OPPORTUNITIES FOR THE MILFORD SUMMER FEEDING PROGRAM

Join the Milford Humanitarian Aid Coalition and the Hockomock Area YMCA as we provide summer lunches to youth and families in Milford through a ten week summer feeding program, running from late June through end of August.

We are looking for volunteers to assist with setup, cleanup, meal service, activities, and special guest visits.

Volunteers of all ages are welcome, and needed weekdays during the summer between 11:00 a.m. and 2:00 p.m. at three Milford locations. Volunteers will be required to undergo a CORI/SORI check, become CPR/First Aid certified, and attend a volunteer training.

To volunteer: please contact Marykate Bergen at marykateb@hockymca.org or 774-571-8029.
