9. On Saturday morning, hundreds of members attended the National Judging School, Team Captains School or Registration Chairpersons seminar. For years, the tradition has been NOT to hold any other seminars during this time slot. It has been brought to our attention recently though that there is still a large number of people who do not need or want to attend those 3 main sessions. Would other seminars during this morning time slot be a welcome addition to the schedule? If so, please use the comment box to list some seminar topics or speakers that might be of interest to you.
