Subject: Chancellor Selection Process – **Campus Open Forums on May 12**

The process for the selection of a new Chancellor is proceeding on schedule, thanks to the dedication of the Search Committee, which completed its deliberations recently. The Search Committee has recommended four finalists for the Board's consideration. The committee interviewed ten candidates, and the four finalists who have been recommended all have had senior level administrative experience in the California community college system. The Board would like to express their appreciation to the Search Committee members for the many hours of work that each of them dedicated to this process.

I am writing to share with you the names of the finalists and the remainder of the selection schedule, which will include the opportunity for you to see the finalists, ask questions, and provide feedback to the Board.

The finalists are:

Dr. Andrew Jones, former Chancellor at Coast CCD

Dr. Monte Perez, current President at LA Mission College

Dr. George Railey, current Vice Chancellor of Educational Services at State Center CCD

Dr. Mark Rocha, former Superintendent/President at Pasadena City College

Open forums will be held at Cypress College (morning) and Fullerton College (afternoon), on **Tuesday, May 12, 2015**. A schedule for the forums appears below. Questions from the audience are encouraged and comment cards will be available at the forums to provide feedback for the Board's consideration. We strongly encourage you to attend the finalist open forums, and the forums will also be recorded for viewing on myGateway, Employee tab. The Board will interview the finalists on May 13, and will make every effort to finalize the process and announce our decision prior to the end of the spring semester.
