INTRADISTRICT CORRESPONDENCE

To: All Staff
From: M. Tony Ontiveros, President, Board of Trustees
Date: May 14, 2015
Subject: Chancellor Search

Last night, the NOCCCD Board of Trustees interviewed two candidates for the open Chancellor position. Although both candidates were obviously talented, the Board ultimately decided to extend the search in order to find the perfect fit for our District. Interim Chancellor Fred Williams has graciously agreed to continue in that role until the permanent Chancellor position is satisfactorily filled.

The Board of Trustees and I would like to thank the Chancellor selection committee for the energy and thoughtful consideration they put into this process. We know the substantial commitment a search like this demands, and we are appreciative of their efforts. We would also like to thank all of the employees, students, and community members who took the time to attend the candidate forums and provide feedback to the Board. Your insight was an invaluable part of our decision.

A nation-wide search for a permanent Chancellor will soon begin, with an anticipated start date of July 1, 2016. The Board will keep you informed throughout the search process.
