

ROOSEVELT HPS NEED: Judicial and criminal justice professionals to assist in interdisciplinary project

Details: Roosevelt Community Education Center is planning an interdisciplinary project-based learning experience in April 2016 for the Human and Public Services Academy. We are looking for community partners to assist with:

- Various guest speakers in the different roles and stages of a criminal investigation including, a detective, prosecutor, defense attorney, judge and a wrongfully convicted man who was pardoned (either at Roosevelt or at speaker's location.)
- See our legal system at work through a field trip to the courthouse and jail.
- Conduct a mock trial where an investigation to a crime occurs, and students will take on the role of Prosecutor, Defense attorney and Jury.

Please email katy@alignmentrockford.com for more information or if you can help!
