

## **ROOSEVELT BAMIT/EMITT NEED:** Thumb drives

**Details:** Roosevelt would like to request about up to 150 thumb-drives with any capacity to assist students in saving pertinent information i.e. resume, cover letter, student portfolio work, etc. This would help our seniors who, once they graduate, will need to have access to update their resume, so having it on a memory device would make a big difference for them.

Please email [katy@alignmentrockford.com](mailto:katy@alignmentrockford.com) for more information or if you can help!
