

Individual Autism Family Support Clinics

This program is co-facilitated by our Autism Specialists Team.

We provide ongoing support to families through individual weekly or bi-weekly sessions to help assist families in ANY area of need, all ages welcome. This may mean connecting your family with resources that will provide your child or adult on the autism spectrum the ability to reach their greatest potential. We will also support parents and caregivers through the challenges and successes you are experiencing within your family.

If you are interested in signing up for this program, please give us a call 508-652-9900 or send an email to adaigle@advocates.org.

Clinic Appointment days/times are **Wednesday's from 9am – 12:00 noon**, however we are flexible based on family's needs.
