

## Piggy Bank for ELCA World Hunger

### Supplies:

- One 5 gallon water jug for the body
- Pink spray paint
- Foam board or felt for ears
- Pipe cleaner for tail
- Black permanent marker
- Four 2 inch (approximate) paper Mache' flower pots
- Four bolts, washers and wing nuts

### Steps: With water jug on its side...

1. Drill 4 holes in the bottom of jug for the feet
2. Drill one hole in the back for the tail
3. Drill/cut a hole in the top to deposit donations
4. Drill/cut an opening in the back to remove donations
5. Drill hole in bottom of flower pots large enough for bolt to fit through
6. Paint flower pots pink and black
7. Spray paint the entire jug, let dry
8. Attach legs (flower pots) with bolts, washers and wing nuts
9. Attach ears (with glue, duct tape, or cut additional holes) and tail
10. Draw details (face, words, etc.) with permanent marker
11. Promote, promote, promote!
