House Committee on Education
Representative Roy Takumi, Chair
Representative Takashi Ohno, Vice Chair

March 16, 2015

Dear Chair Takumi, Vice Chair Ohno and Committee Members:

This testimony is submitted in support for SB847 SD2, which authorizes an additional per year bonus for teachers who maintain current board certification and teach at schools in a focus, priority or superintendent's zone under the National Board Certification Incentive Program.

The Hui for Excellence in Education (HE'E) is a diverse coalition of over 40 parent and community organizations dedicated to improving student achievement by increasing family and community engagement and partnerships in our schools. Our member list is attached.

The Coalition understands that teacher quality is considered to be one of the most influential factors in student achievement. National board certification is rigorous and allows teachers to analyze and improve their practice. We believe it is important to continue to reward teachers who voluntarily undergo this process.

Regarding the additional bonus, we think that the incentive should be greatest for national board certified teachers who are at schools in a focus, priority or superintendent's zone, schools with a high turnover rate, and schools that are hard to fill as determined by the Department.

Thank you for the opportunity to testify. Our support of this bill represents a 75% consensus or more of our membership.

Sincerely,

Cheri Nakamura
HE'E Coalition Director
