## Master Trainer Graduation in August

Ralph will present certificates to reward 8 men for their course completion toward certification as Master Trainers in storying for Evangelism, Discipleship, Church Planting, Church Health, and Biblical Leadership. They are Titus Davis from Monrovia, Liberia, Haba Kouly from

Guinea, Musa Kpaka from Sierra Leone, Matthew Kangar from Monrovia, Liberia, Samuel Yarmo from Bomi, Liberia, Eleazar Gbengan from Ganta, Liberia, Albert Dossen from Harper, Liberia, and Gouet Gome from Cote d'Voir.

Not only did these men prevail through the Ebola crisis but have gone to the villages and cities telling God's Story, baptizing regularly, and planting new churches.

Time does not permit Ralph to go to all of the locations where our trainees conduct their ministries, but he will be visiting Monrovia, Bomi, Ganta, and Harper where he will observe the training of third generation trainees. Approximately 288 third generation trainees in 7 different

locations were recently or will be trained by the

end of Ralph's trip. All of our trainees are called Timothy's. There are the 7 G1 Timothy's (first generation) each having recruited 6 G2 Timothy's. The G2 Timothy's will be training their G3 Timothy's, 288, with Storying for Evangelism.
