UpToDate®

EvergreenHealth and UpToDate Reach Agreement

Good news! EvergreenHealth and UpToDate have reached an agreement for continuing our institutional subscription. We were able to negotiate the price to an agreeable amount, so UpToDate has reinstated our access.

All EvergreenHealth providers, (both employed and private practice providers) will now have access to UpToDate via the EvergreenHealth institutional subscription. You do not need to purchase individual subscriptions as previously announced.

Important If you purchased an individual subscription, UpToDate will issue you a full refund if cancelled within 60 days of purchase. This needs to be done via their website or their call center at: customerservice@uptodate.com or 1-800-998-6374.

If you have any questions please contact [Michelle Goodwin](mailto:Michelle.Goodwin@evergreenhealth.com) at 899-1892.

Grand Rounds Webex Remote Access

Can't get to Grand Rounds? Interested in a topic that took place recently? The CME program is offering these new options for Grand Rounds and other specified activities:

- Dial into the **Join by Phone** number and enter the **Meeting Number** and **Password** provided for each session
- **OR**
- Access the presentation via your computer, using the link provided, and enter the meeting number and password
- Once connected, you may follow along with the audio and powerpoint presentation
- Remote participants may "self claim Category 2 CME credit if they find educational value in the session". Please maintain your own records for any CME activities where you are self claiming credit. (Category 1 CME credit available only for participants who attend in person)
- To obtain a recording of an older Grand Rounds or other activity, please visit Continuing Medical Education under Sharepoint. You may self claim Category 2 credit for any historical Grand Rounds that you view. Recordings available the month after the original presentation.
