Step 3

Select the sponsorship package that best suits your needs, goals, and budget.

Step 4

Choose any extras you might want to add to your sponsorship package.

Step 5

Complete the sponsorship agreement and return to the Portland Chapter.

Step 1

WHO IS CSI?

Portland Chapter CSI, established in 1960, is one of 140+ local chapters nationwide that make up the Construction Specifications Institute, a national association including specifiers, architects, engineers, contractors, facility managers, product representatives, manufacturers, owners and others who are experts in building construction and the materials used therein. We are dedicated to improving organization, management and communication of building information through:

- A diversified membership base of allied professionals involved in the creation and management of the built environment.
- Continuous development and transformation of standards and formats.
- Education and certification of professionals to improve project delivery processes.
- Creation of practice tools to assist users throughout the facility life-cycle.

What makes CSI unique?

1. CSI is the only organization that brings together all the players in the commercial construction industry. CSI's membership includes architects, engineers, designers, product specifiers, contractors, product representatives, owners, facility managers, and many others who are touched by construction documentation.
2. CSI members bring real world solutions to this ever-changing climate.
3. CSI is renowned for its rigorous certification programs for professionals seeking to improve their knowledge of accurate and concise construction documents.

Mission Statement:

Our mission is to advance building information management and education of project teams to improve facility performance.

WHAT SPONSORS ARE SAYING

"The purpose of CSI is to bring all partners from the construction industry together. Sponsoring these events makes it possible to complete that mission. If I can reach the design, contractor and supplier communities at the same time by sponsoring a single event I consider that a win."

Christopher Bennett, CSI, CDT
Project Manager, Tao Group

Step 1

"Being a CSI sponsor provides a great connection of my face, my product, and my company to the other members. In our case when the subject is metal panels, mine is the face they see in their minds. It is a valuable connection."

Steve Popkes, CSI, CDT
AEP Span

Industry Forum; "The CSI Industry Forum has grown to become one of the marque events in the Portland area. Both the 6 x 10's and Keynote presentation are innovative and inspiring. CSI bring all trades together and we've found that the Industry Forum provides an unique opportunity for Ideate to network with local Architects, Engineers, Contractors and Building Owners."

Qatanna Palioca, Marketing Director, Ideate Inc.

"We are pleased to be a repetitive sponsor for the Portland Chapter CSI Golf Tournament. This well-organized event allows us a day to informally collaborate and network with our clients, vendors, and peers. We have found over and over again that investing a day out of the office in this casual and fun environment pays dividends to many a projects' success. We appreciate the time and energy that the Portland CSI team puts forth to make this such a successful event and look forward to partnering in the future."

Susie Sirovatka, Professional Roof Consultants

Step 2

SPONSORSHIP OPPORTUNITIES

Monthly Chapter Meetings

Second Tuesday of the month, location varies

Chapter meetings are held once a month and are publicized to over 500 industry professionals. On average, they attract 50-100 attendees. These meetings allow members the opportunity to exchange information, make new connections, and develop professional relationships.

Benefits:

- Registration for 1 individual to event
- Clickable logo on event website and invitations
- Logo on all event promotional materials
- Recognition and opportunity to make a 5- minute pitch before presentation
- Table top display space

Upcoming 2016 Chapter Meetings:

- | | |
|--------------|---|
| • January 12 | 2016 Construction Forecast |
| • February 9 | Grill the Estimator Panel Discussion |
| • March 9 | Design/Construction and the Changing of the Guard Panel |
| • April 12 | Design/Build, Design/Assist, Delegated Design: What Do They All Mean? |
| • June 14 | CSI 4th Annual Chili Cook-Off and Awards Ceremony |
| • July 12 | Annual Architectural Scavenger Hunt |

Step 2

SPONSORSHIP OPPORTUNITIES

Education Series

Every 4-6 weeks, location varies

Benefits:

- Complimentary admittance to each event for you and a guest
- Logo on event website and invitations for all education sessions throughout the year (approximately 7-9 events annually)
- Recognition at each event

The CSI Education Series is focused on bringing CSI members and non-members together to learn about a specific topic related to project delivery. The goal of our education sessions is to be affordable and useful. These sessions are designed to be a more casual, fun and comfortable for the attendees. We provide beer, pizza, laughs and information that can be applied the very next day in the field. Attendance varies from 10-50 people per event.

Past Education Events Include:

- Mock Bid Day
- Specs 101
- AIA A201™ Review
- Roofing Assemblies Panel
- Energy Sub-Metering
- Bluebeam for Design and Construction
- Social Media for Dummies
