

Recognize any of these smiling Rotarians? -- see below for Who and Why

It was a special event: the Rotary awards presentation at the Zone Institute in Pittsburgh this year. As we can see, folks dressed up to represent us and celebrate the remarkable accomplishments by our district in support the Rotary Foundation.

As you may recall, Gov. Mike's summary last month, "Our overall level of giving, at more than \$980,000, was tops in Zone 28. We were second in per capita giving, and third in Annual Fund. Our total of more than \$206,000 in cash contributions for EPN (End Polio Now) was far and away the highest across both Zones 28 and 29. No other District exceeded \$75,000."

Let's keep up the momentum -- Rotary's primary goals this year are the Foundation's End Polio Now plus the Membership effort. You and District 6440 set a great example. In the photo, second to left is RI President-elect Gary Huang, followed by PDGs Mike Yesner and Mike Ericksen. The rest are hard working Rotary and Foundation leaders -- RI Director (Zones 28 & 29) Mary Beth Growney-Selene, Rotary Foundation Trustee Vice-Chair Mike McGovern, Zone 28 Regional Rotary Foundation Coordinator Dick Galitz, Zone 29 Regional Rotary Foundation Coordinator Neil McBeth.
