

Greg Rubens of the Evanston Lighthouse Rotary Club wrote,

“On Wednesday 11/21, the Des Plaines Rotary Club hosted a turkey lunch where we served senior citizens at the Frisbie Senior Center.

“I heard of this activity through coordinator Sharon Lynch of the Des Plaines Club via Facebook, which then prompted me to create the event in the Facebook group "Chicagoland Rotarians and Friends Volunteer.”

“It was really impressive to learn that due to word of mouth, some emails, and the Facebook group, 5 Rotary Clubs were represented along with several family members of Rotarians who provided more than enough help during the heart-warming event which included live entertainment from a group of singers entitled "The Notables.”

“There was also a volunteer who recently retired from Dominick's Foods inquiring about joining a club in the area. He asked if you have to be "in business" to join a club and that he assumed that the answer was yes. I explained that Rotary is a perfect organization for him to look into to achieve his goal of keeping busy during retirement.

“I believe he was impressed by our multi-club presence.”
