

One of our Interact Clubs on TV

Thought you would be interested in knowing that the Maine East Rotary Interact Club will be on WGN TV Friday Dec. 20, 2013 @ 6:20 am as they present 750 toys for the Toys for Tots drive. The ME Rotary Interact Club, sponsored by the Rotary Club of Park Ridge, was chartered this past year and three weeks ago 150 new members were inducted into the club, making it the largest club in the school comprising 10% of the school population. They had a fund raiser raising around \$3,000 which was matched and purchased 750 toys. Jessica Ilc (ILC) is the co-president of the club. The other co-president, Syed Matin, was featured in the Daily Herald on Dec. 13 as a member of the 10 top area High School Leadership Team and the article mentions his involvement in the Rotary Interact Club. We are certainly proud of this Rotary Interact Club which has energized our own Rotary Club.

John Alan Boryk, President
Rotary Club of Park Ridge IL USA
