

# 2016 ADPA ANNUAL CONVENTION

## DESCRIPTION OF ACTIVITIES

### **Golf Tournament: The Meadows** – April 1, 12:30 – 5 pm

Originally designed by Alexander H. Findlay, The Meadows was dramatically upgraded in 1999 to become a serious test of skill and precision. Most guests agree that The Meadows offers the best photographic opportunities of the three courses with its panoramic views of the surrounding mountains. The course shares a massive double green on the 18th hole with The Greenbrier course and is a true test of skill. Many regional and state championships are contested on it annually. This event includes a boxed lunch.

### **Private Tour: A Closer Look at The Greenbrier (Interior)** – April 1, 1:30 – 2:30 pm

The Greenbrier has been welcoming guests since 1778. With over 230 years of history, The Greenbrier has a wealth of information for you to enjoy during their guided tours. As one of The Greenbrier's most popular tours, this walking tour of the public lobbies describes the interior of the hotel, its décor, and its development. This interior tour focuses on the elegant architecture and renowned interior design of famed interior decorator Dorothy Draper, and her successor Carleton Varney, in the sixty-five years since The Greenbrier was used as a military hospital during World War II.

### **Private Tour: The Bunker at The Greenbrier** – April 2, 2 – 3:30 pm

The declassified Bunker at The Greenbrier is a must-see experience that takes you behind the scenes and walks you through a fascinating period in the resort's history. Carved deep into the mountainside beneath their West Virginia Wing is an emergency Cold War fallout shelter. Once a top secret U.S. government relocation facility for Congress, The Bunker is now open to anyone interested in reliving a legendary piece of The Greenbrier history. Bunker Tours provide a unique and in-depth look behind the hidden doors and let you explore an aspect of The Greenbrier that no other resort can claim.
